Senior Medical Director

On December 20, 2006, the Department of Health Services (DHS) advised your Board of our intent to release an Invitation for Bids for Infant Hearing Screening Services (IFB) at Harbor-UCLA Medical Center and Olive View-UCLA Medical Center.

This is to advise you that as of the April 20, 2007 deadline for receipt of bids for the IFB, DHS received only one bid from Halo Unlimited, Inc., dba Infant Hearing Screening Specialists who is the current vendor providing services at Harbor-UCLA Medical Center under a purchase order.

Upon review of the bid, DHS determined that all requirements of the IFB have been met. The Department plans to file the recommended agreement for the Board Agenda of May 29, 2007.

Please let me know if you have any questions or require additional information.
